## Suitability of Loans to Your Financial Objectives

By law, before entering into a specific credit contract, we are obliged to conduct a Preliminary Credit Assessment to determine what kind of loans would be suitable for you. In consultation with you, we will explore and discuss with you your financial situation, financial objectives and borrowing needs before we determine which loan product may suit your requirements.

For the purposes of the Preliminary Credit Assessment, we will need to ask you some questions in order to assess whether the loan or lease is not unsuitable. The law requires us to:

- make reasonable inquiries about your requirements and objectives;
- make reasonable inquiries about your financial situation; and
- take reasonable steps to verify that financial situation.

The assessment will be conducted prior to recommendation of a particular product. The assessment will involve collection and verification of financial information to determine the appropriate loan amount and the loan costs associated with entering a credit contract. This will ensure that your circumstances will be assessed appropriately and that the options suggested will not place you in financial hardship. Once completed, this Preliminary Credit Assessment is only valid for 90 days. A copy of the Preliminary Credit Assessment will be available to you, on request - this will be available up to 7 years after we provide you with credit assistance

Prior to the Preliminary Credit Assessment being conducted, we may provide you with Product summaries that highlight various key features and benefits of the product. We may also provide you with Product Comparison documents that allow you to compare the features and benefits of each product and assess the suitability to your requirements.

## Complaints

Irrespective of our status as a licensee, representative or credit representative, our reputation is built on matching the appropriate product(s) to the individual's requirements. We go to great lengths to ensure satisfaction with our services and offerings. However, there may be instances from time to time, where applicants may be dissatisfied with the outcomes of our consultation process. If you have a complaint about the service that we provide, the following steps or avenues for resolution are available to you.

### Step 1

Most complaints arise from miscommunication and can usually be fixed quickly. So, please contact David Harris first and express about your concerns.

### Step 2

If the issue is not satisfactorily resolved within 5 working days by talking with David Harris, we will apply our internal complaints process to manage your complaint appropriately. In this instance, the complaint will be internally escalated to our Complaints Officer. You may also contact the Complaints Officer directly.

<b>Email</b>	admin@cadmortgageandfinance.com.au

**Note:** In some instances your broker may also be fulfilling the role of the Complaints Officer. This will not affect the capacity to have your complaint dealt with appropriately.

By using our internal complaints process we hope to assist you to resolve your complaint quickly and fairly. The maximum timeframe in which to provide a written response to you is 45 days, although in pursuit of best practice and the reputation of our organisation, we aim to resolve these issues in a much shorter time frame.

### Step 3

Although we try hard to resolve a customer's concern in the most considerate and direct manner, if you are not completely satisfied after the above steps have been attempted, you still have other avenues available to resolve the dispute. This is then managed externally and independently.

This external dispute resolution (EDR) process is available to you, at no cost. Two EDR schemes may be listed below. This indicates that the Credit Representative and their authorising Licensee are both required to be members (independently) of an ASIC approved EDR scheme. Where a Credit Representatives EDR is displayed, please contact that EDR scheme in the first instance for complaint escalation.
